The Board of Water Commissioners, in a unanimous vote, names the city's new water reservoir facilities at Eagle Heights after Water Utility Manager Zeno Gorder. Board chairman and 20th Ward Alderman James Gill says the board's action is in recognition of Gorder's long and excellent service to the city of Madison. Harvey Stevens, Madison, superintendent of Central Wisconsin colony for the past 11 years, is named director of the bureau of mental retardation in the Division of Mental Hygiene. Dr. John Toussaint is appointed acting director of the Colony. The Assembly approves a \$1.5 billion budget that increases the sales tax to 4 percent and the bill goes to Gov. Walter J. Kohler.

One of the greatest traffic tie-ups in Madison's history is predicted today as preparations are made to close East Washington Ave. for widening the repaving of a three-block stretch. Traffic is presently blocked off Williamson Street and East Wilson Street, where a number of curves are being eliminated, which hampers traffic to the east side. City Traffic Engineer John Bunch says in-bound traffic is to be rerouted over East Mifflin Street and out-bound traffic over East Main Street. The only main arteries open to Madison's east side, where more than half the city's residents live, are the Sherman Ave.-Gorham and East Johnson Streets routes. John Sto-

West credited the opponents with about 26 of the 40 points of the deck for their bidding. East's hand was surely worthless, and he would be out of the picture. West therefore led a wicked five of hearts.

South won and led a club to the ace. West then returned the deuce of hearts.

South thought West had opened his fourth highest heart and was now leading his fifth-best. If South tackled spades the defenders would take the ace of spades and enough hearts to defeat the contract.

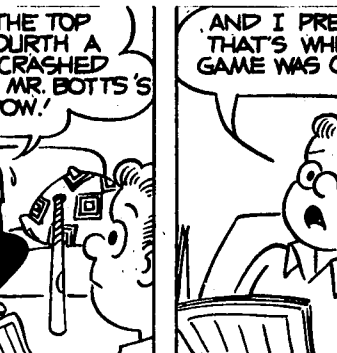

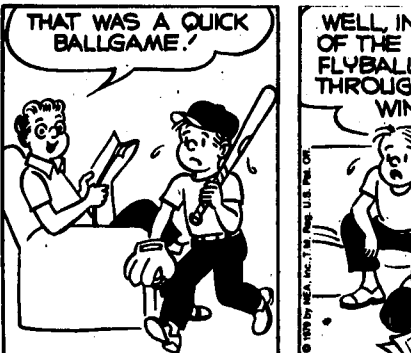

South ran the clubs, but West comfortably discarded two spades. South then took his diamonds, trying for nine tricks without a spade. West's jack of diamonds thus became the setting trick.

If West opened the deuce of hearts, revealing that he had only a four-card suit, South would make the contract by developing a spade instead of trying for a fourth diamond.

DAILY QUESTION: Partner bids one notrump (16 to 18 points), and the next player passes. You hold: Spades-A 9 5; Hearts-A 8 5 2; Diamonds-J 9 5 2, and Clubs-A 4. What do you say?

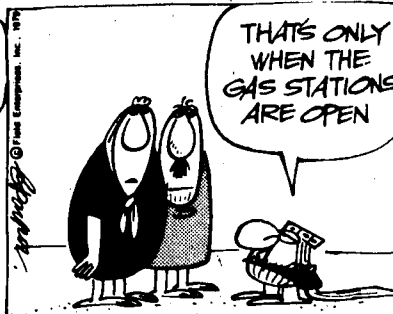

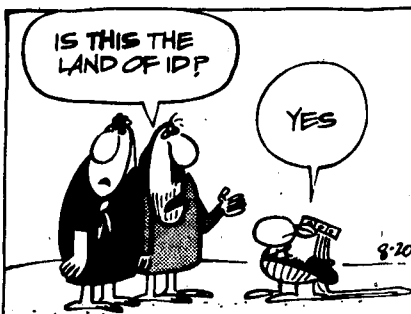

ANSWER: Bid three notrump. Slam is very doubtful since the combined count can be only 31 points at most. Game at notrump should be a cinch, but if you try for game in hearts partner may have four weak hearts and then a horrible trump break may be fatal.
